

18TH - 21ST JUNE

PAUL RIDES THE TOUR DE BARCHESTER

200 MILES

14 CARE HOMES

In June I will be joining some Barchester colleagues to cycle 200 miles over 4 days, visiting 14 of our care homes including Elgar Court!

The Ride is in aid of the Barchester Charitable Foundation which provides money to improve mobility and quality of life for older people and adults living with a disability or mental health problem in local communities across the UK.

All donations are welcome and I have created a Just Giving page to make it easier.

The link to the page is on the Elgar Court Facebook page or you can navigate there direct via

www.justgiving.com/page/paul200miles

Alternatively you can donate via Reception who have a sponsorship form and collection box if you prefer to give cash.

Many thanks and if you see us passing give us a cheer!!!

Paul

(Head of Maintenance Elgar Court)
