General Manager Focus

Welcoming in a new year at our wonderful home.

The joy continues to grow at Tewkesbury Fields, and the time has flown by this winter season. We continue to welcome new residents throughout the year. New additions to our family always bring joy, a fresh outlook and fun to daily life here and of course, returning guests appreciate being looked after and the lifestyle we provide.

Our varied and vibrant programme of activities and events keeps growing, so please do add the dates to your diary. Families, friends and the community are always welcome to join us. I take such pride in the whole team for not only the care they give, but also how much they enhance the lives of our residents and ensuring they live life to the fullest.

I am proud to show Tewkesbury Fields to visitors looking for their next home, and thrilled to see their reactions of our luxurious surroundings and the rooms they can choose to live in. It isn't just about the stunning furnishings and communal socialising areas, it really is about our staff who make this the heart of our home. If you haven't yet come to see us, our doors are always open and we would love to show you around.

Thank you.

James Culley, General Manager

Watson Hall - Activities

21 February
Pancake Day

21 February
Relatives Meeting

28 February
Residents Meeting

28 February
Lindy Bop at Watson Hall

Christmas Celebrations

Our Countdown Christmas calendar had so many events and activities for our residents, their families and friends to enjoy.

Our Christmas started in November with a Snowflake competition to get us all into the spirit of the season and to get involved with our local community.

Our Christmas Countdown calendar certainly had something for residents to look forward to each day. From going to a Pantomime at the Roses Theatre to Carol singing and Wreath making, it's never a dull day at our Home.

Alderman Knight School surprised our residents with an amazingly thoughtful enormous hamper of gifts. Residents were so touched at this kind gesture – thank you!

Lastly, we would like to express our gratitude to our residents and their families for their incredibly considerate gifts to our staff for the care and love they receive. We are truly appreciative and thank you from us all.

Snowflake Wonderland

We want to say a huge thank you to all the schools, nurseries and playgroups that took part in our snowflake competition.

A wonderful array of snowflake designs, shapes and colours were sent, making it almost impossible for our residents to choose because they were all so brilliant!

What we've been up to...

Activities Galore!

From local, national and international events and celebrations, our residents love to get involved in all of them – both in and out of our home!

We celebrated Chinese New Year, enjoyed the Burns Supper, sing weekly with the local group and joined in with our local community for a meal at the local church - No event or activity is off limits!

This is why, at Tewkesbury Fields we strive to ensure there are a range of social opportunities for everyone here to choose from – and life is one long holiday!

SPOTLIGHT ON...FOOD

Delicious meal time delights await our residents each day where dining together, socialising and nutrition play an equal role in all of our residents well-being.

RSPB Big Garden Birdwatch

Our binoculars and bird books were at the ready to support this annual Big Garden Birdwatch initiative.

Our resident Ambassador had a brilliant time logging the many different birds she saw that day. The idea is to understand what is happening to our native birds by logging all the birds you see in a one hour period any time between January 27th and 29th and send the results to the RSPB.

International Flower Day

We celebrated International Flower Day in our home.

For International Flower Day residents spent the afternoon making beautiful flower arrangements. The lounge smelt wonderful from the fresh flowers, and our residents really enjoyed creating their bouquets and floral arrangements.

Our Vision at Tewkesbury Fields

To provide the highest quality of care and well-being whilst striving for excellence.

NEWS FROM IN AND AROUND

Facebook

1,107 likes!

Thanks to our followers, our Scottish Burns Supper Facebook post got over a thousand likes!

Don't forget to follow us to see our lifestyle.

RoSPA Fall Fighter Campaign

We have launched the Fall Fighter campaign in association with RoSPA - The Royal Society for the Prevention of Accidents.

Sadly every year, one in three people over the age of 65 will have a fall, and this risk doubles for those over 80 years. Falls are the single biggest cause of accidental injuries in the home, and the largest cause of accidental death among the over-65s. If you would like to find out how you can reduce this falls risk, we would be glad to show you over tea and cake.

Barchester Healthcare is the **only** UK Care home provider who has won the Rospa Health and Safety Award consecutively from 2019, 2020, 2021 and 2022.

To find out more, call us on: 01684 850311

Meet Katie – Our Well-being Champion

Meet Katie Brown, Our Deputy Manager at Tewkesbury Fields and also our new Well-Being Champion! Katie has been nominated because of the Integrity and Respect values she shows everyone she meets - thank you Katie!

Thank You

From all the team at **Tewkesbury Fields Care Home** we'd like to say a big thank you for giving us spectacular support and reviews.

We would love you to leave us a review on carehome.co.uk or Google. Do ask the team for a review card next time you visit.
