WELCOME TO OUR NEW ACTIVITIES CO-ORDINATOR DEBBIE HAYMAN

Debbie is all dressed up for the D Day. 6 June 1944, the largest seaborne invasion in history took place on the northern beaches in northern France, Codenamed Sword, Juno, Gold, Omaha and Utah, 73,000 were American and 83,000 were British

And Canadian. Adlington Manor remembered all those who bravely fought and those who lost their lives, by sharing stories with each other about their experiences, many or whom where children at the time. Both units were decorated to honour those brave men.

What we've been up to...

COCKTAIL TIME IN THE SUN...

What an enjoyable time, having cocktails out in the sunshine, residents with some of their family members.

OUTDOOR GAMES ...

Staff, Residents, family members all getting involved with different outdoor games, makes everyone smile getting involved with these activities. Then later on in the afternoon obviously we had to have ice cream and lollypops
