## Ready for summer!

### Hello!

We are all looking forward to summer at Station Court with so many events, outings and activities to look forward to making the most of the sun!

I am so excited for all our garden events now that our garden transformation is complete. I am proud of the work our green fingered staff members, residents and family members have done creating a glorious place for us all to enjoy, relax and party in.

I would also like to send a big thankyou to CSJ projects Ltd – the company who built our fence and built our new accessible planter and also gave a big donation to buy flowers to fill it.

At station court we are keen to give each room a personal touch, creating a homely environment for all of our residents. Our housekeeping team are currently working on this and would be grateful if any family or friends would like to bring anything in to decorate the rooms.

Our garden was full of laughter, fun and music as our families and friends joined us all to commemorate D Day 80. With the weather on our side, live entertainment from Mark McCann having us singing along and dancing before devouring picnic boxes filled with sweet and savoury treats. A fantastic day was had by us all raising funds for SSAFA

## FIT FOR A KING

Double celebrations were in order at Station Court as we celebrated King Charles III official birthday watching trooping the colour with cream scones, tea and 'royally' special guests before transforming our lounge into the Station Arms and saying cheers to beer as we celebrated National Beer day! Sampling a range of beers and competing in our 80s team pub quiz

## FATHERS DAY

Our gents had a wonderful day celebrating father's day joined by family members for a 60's and 70's live performance by young local vocalist and guitarist before tucking into a 3 course delicious Sunday roast washed down with beers, ales and larger together.

## SUMMER LOVIN'

With the great British weather on our side we all had a brilliant time celebrating the official start of summer out partying in our garden! With live entertainment from the brilliant Michaela having us all hand jiving and doing the twist and summer refreshments keeping us all cool ... the best way to spend the longest day of the year!
