Fun in the sun at Drummond Grange

Hope you have been able to get out and enjoy at least some of the sunshine this year. The weather seems to not know what it wants to do! Saying that we were incredibly lucky with the weather for our Power of Music Festival on the 1st of June. The day was a great success with full of sunshine, smiles, good music and good friends! A lot of hard work went into the festival and I think you can see from the looks on everyone's faces it was a great day. Don't worry however our summer events are not stopping there with plenty to get involved with over the next few months! We would love if anyone would like to contribute a dish to our International Food Festival on the 20th July, I'm sure there some fantastic cooks reading this! For the second year we are really excited to be teaming up with the Edinburgh interfaith society again for our Fringe Cares event, for one day only on the 24th of August we will be hosting a pop-up fringe location and will be welcoming The Musical Theatre Story: The Golden Age of Musical Theatre which you are all welcome to attend along with your loved one. As always, my door is always open for a cup of tea and a chat!

All the best,

Alina Brehar

PoM 2.0

The Power of Music festival made an epic come back to the home on the 1st of June! It was a fantastic day jam packed with amazing local bands and singers, dance groups and local businesses stalls.

The sun shone and everyone was full of smiles, laughter and singing in the sunshine. We were over whelmed by the support of from the local community from the bands, singers, businesses and visitors and it was certainly a day to remember!

Now on to planning next year!

SPOTLIGHT ON...Boogie Beats!

We have been having so much fun with our friends from Pinocchio's Nursery come every week to play. Working together with local sing, play and movement company Boogie Beats we are loving the energy that the children bring to the home each week. From learning about bees to dancing to our underwater adventure in our Yellow Submarine for Global Beatles day, Wednesday afternoons are quickly becoming the most looked forward to time of the week! Join the fun every Wednesday from

What we've been up to...

Something is Cockadoodling at DG!

Have you heard a strange sound coming from the homes garden? Well, it might be our new residents who are to blame! On the 16th of March we had a special Easter treat where we hatched 4 new friends in the form of our chicks. Now our wee chicks have quickly grown and now loving life in their custom-built coop at the bottom of the garden. Feel free to pop over to say hello to Wee Ali, Jessie Broom, Poppy and Bucky. We are hoping for them to start laying mid-august so maybe you will get to try some of their eggs soon!

Get Barchester Moving 2024!

Get Barchester Moving is a Foundation Week initiative encouraging a week of activity to include our teams, our residents, relatives and communities. As a collective with the other Barchester Homes we have raised £1171 for the Barchester Foundation, and logged 652046 move minutes. That's equivalent to more than 450 days!

Residents enjoyed Seated Zumba and yoga sessions. A Lian Gong class with home physiotherapist Gilberto and Qi Gong with Katie. Residents also logged collective laps of one of the local parks in Bonnyrigg.
