

General Manager Focus

Dear Residents, Relatives and Friends,

As we have welcomed in the month of June which marks the beginning of summer, we are ready to embrace our summer activities. The calendar will be packed with exciting events. We have planned a series of outdoor parties, gardening workshops, and themed outings. Our gardening club is already hard at work planting colourful flowers and vegetables, ensuring our garden will be a beautiful haven throughout the summer months. We hope to see you all at our Country Western Summer Fete on the 6th July.

June is also a time to focus on health and wellness. We are introducing The Get Barchester Moving Programme to maintain staying active which is an essential component of a happy and healthy life, and we encourage all residents to participate and anybody else that would like to go on this journey with us. The Programme began on the 17th June and our staff and residents have been outstanding with their efforts. Well done to all!

Rutland Water

Residents enjoyed an outing to Rutland Waters, where we visited the Waterside café. The residents went for a stroll and sat enjoying a picnic with the wonderful view of the open waters. On the Return Harry acted as a tour guide as he told us some history of the villages we were passing through.

What we've been up to...

SPOTLIGHT ON... ROBINA

Robina was awarded 3rd place prize at the Royal Windsor Flower Show for her entry, which was a photograph of her gardening at her bedside. Robina was awarded with a Rosette and certificate.

Please join us for our Country Western Summer Fete on the 6th July starting at 2pm. We have a range of live entertainment including Darwen the miniature horse who will be giving rides around the garden, Lara De Belder (vocalist) and lastly the amazing Karen with her Line dancing group. Refreshments will be available, classic garden games and lovely stalls to browse. Everyone is welcome and dressing up is advised! If you wish to donate any prizes for the tombola and raffle we would be extremely grateful.

NEWS FROM IN AND AROUND Wood Grange

Residents enjoyed a visit from The Singing Gardener, Amanda, who started off by singing Edelweiss from The Sound of Music while showing off the flower. Then she sat with the residents and demonstrated how different plants and flowers such as lettuce and sunflowers can be sewn, allowing them to plant their own. She engaged with the residents asking them about their gardening experiences in the past, ensuring they were all included and spoken to. She sang a variety of different songs, some about different flowers, but also asked what some of the resident's favourite singers or groups were. She then proceeded to sing songs by Vera Lynn as many residents requested her to be sung. The residents were singing and dancing along while enjoying a Becks Blue in the sunshine.

Thank You

This month held Carers Week which commenced from Monday 10TH June. We have made an effort in thanking our carers for their hard work and dedication. Each and every one of you do an outstanding job which deserves to be recognised.
